RE: Confirmation of USDA NOP Compliance

This letter is to confirm that the following product has been assessed based on the information supplied and was found to be compliant with the requirements of the USDA National Organic Program (NOP) for use in certified organic production systems.

Trading Name: YLAD Living Soils

Australian Organic Registration number: 12430

Standard: The United States Department of Agriculture (USDA) National Organic Program (NOP)

| Product | Notes: (eg – restrictions or usage notes) |
|----------------------------|---|
| YLAD Humus Compost | Contains micronutrients - Soil deficiency must be documented by testing. |
| YLAD Humus Extract | Contains micronutrients - Soil deficiency must be documented by testing. |
| YLAD Humus Gourmet Compost | Contains micronutrients - Soil deficiency must be documented by testing. |

This Confirmation of Compliance is valid from this date and remains current whilst the Australian Organic Registration and the formulation of this product remain current.

Any changes made to the product formulation must be notified in writing to the Australian Organic office and subsequent reassessment of compliance will take place.

Yours Sincerely,

Elizabeth Bradley
